

Puppy Manners for pups 6 months and younger

Cost \$150

Duration 6 weeks at one hour per week

Start Date: Tuesday April 16th at 7:15 pm

This 6 week class will help you get off to a great start with your new puppy. Included in this class are the following:

- House training.
- Puppy problem behaviors such as: biting, nipping, jumping up on people
- Socialization which is important at this age of the puppy's life
- Teaching bite inhibition
- Getting our puppies used to being handled gently
- Basic obedience commands such as sit, down, stay, paying attention, walking on a loose leash and beginnings of heel work as well.
- We will also teach the puppies how to settle down, leave things alone they should not take as well as how to give things up they might have picked up.
- Impulse control including not running out of open doors and waiting for their food will also be covered.
- We also cover other items on an as needed basis.

So please ask questions we are here to help! All classes are taught using positive reinforcement methods. So you will need an abundance of very high value treats for the classes. If your puppy is not food motivated please bring their favorite toy with you.

Your puppy should wear a regular collar or a harness and a 4-6 foot leash. No retractable leashes, choke collars, pinch collars or shock collars will be allowed.

The first class is an orientation for humans only. Part of this class can be held outside if the weather permits.

All puppies must be friendly with other dogs and humans to attend class.

Required Vaccinations: Distemper, Hepatitis, Parvo, Parainfluenza and Rabies if over 6 months of age.

Recommended Vaccinations: Bordetella and Leptospirosis
